

A Laxative for Babies Good for Everybody

Dr. Caldwell's Syrup Pepsin
a Safe and Efficient
Family Remedy

Every member of the family is more or less subject to constipation and every home should always be supplied with a dependable remedy to promptly relieve this condition. Whenever the bowels become clogged and the natural process of elimination thereby disturbed, the entire system is affected, and readily subject to attack by disease. Constipation is a condition that should never be neglected.

Mrs. E. R. Gilbert, of Millbrook, Va., says that Dr. Caldwell's Syrup Pepsin is a splendid laxative for children because they like its pleasant taste, and it acts so easily and naturally, without griping or strain, and she finds it equally effective for the rest of the family.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that contains no opiate or narcotic drug. It is mild and gentle in its action, and does not cause pain or discomfort. Druggists everywhere sell this excellent remedy for fifty cents a bottle.

To avoid imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 465 Washington St., Monticello, Illinois.

BASS CLEF MEMBERS ENTERTAINED PATIENTS

Excellent Programmes Was Given in the Theatre at the Institution.

A number of the members of the Bass Clef entertained the patients at the state hospital on Tuesday evening and afterwards entertained in turn in the Riverview club as the guests of Dr. Erdman, who is vice president of the club. The entertainment for the patients was held in the large theatre. Excellent rendered selection by the club, Spanish dances in costume by Miss Annie L. Taft and vocal solos by Miss Lucille Lord greatly pleased the audience who manifested their approval with hearty bursts of applause.

SEVENTY-FIVE ARRESTS MADE DURING THE PAST MONTH

Total of Forty-three Men Were Taken in on Charges of Intoxication.

The police made a total of 76 arrests during the month of October. The charges were divided as follows: Intoxication, 42; breach of the peace, 24; violating city ordinance, 1; theft, 1; resisting, 1; non-support, 1; begging, 2. Seventeen store doors were found unlocked and reported to headquarters during the month and 136 homeless were provided lodging.

Entertained at Halloween Party.

On Saturday evening a party of friends was delightfully entertained at a Halloween party by Carl Lawson at his home at Gales Ferry. The rooms were attractively decorated with autumn leaves and jack-o'-lanterns. An old fashioned chicken-pie supper was served, covers laid for twelve. Following the supper, dancing to the accompaniment of a Victrola was enjoyed in the large kitchen. Guests were present from Norwich, Waugun and Gales Ferry.

Adolph Perbroth Brings Action for \$23,000 Damages Against New London, Westerly and New Haven Men—Appeal Taken in Eastern Concrete Construction Company vs Lewis M. Young—Woman Married Three Weeks Now Asks Divorce on Grounds of Cruelty.

Suit, claiming damages of \$23,000, has been started by Adolph Perbroth of New Haven against Morris Naletsky alias Morris Naletsky, Jacob Cohen, Sol. Rosenstock, Isaac G. Goren, and New Haven, T. N. M. Lathrop of New London, Fred J. Randall and Mansour Sabagh of New London, co-partners in Randall and Sabagh, Morris Goldstein of New London, and Edward Daniels and George Ryan, doing business as Daniels and Ryan of New London, the Raymond and Alexander Lumber Co. of New London and R. L. Segar and C. P. Whittall, doing business as the Whittall Electric company. The suit has been brought for recovery on notes and the plaintiff claims foreclosure of mortgaged property and immediate possession. The parties were filed in the superior court office in this city on Tuesday and are returnable on the first Tuesday in November. On Tuesday notice of appeal in the case of the Eastern Concrete Construction company vs. Lewis M. Young of this city was filed in the superior court office. Judgment in favor of the plaintiff was given by Judge Burpee at the court session in New London last week.

James Coady of Sprague has brought suit against Ella Coady alias Etta Coady of Eau Claire, Wis., claiming a divorce on grounds of desertion. They were married in New London, Conn. Previous to her marriage the defendant was divorced from a former husband. It is alleged in the complaint that she deserted on April 1, 1911.

WITH ARMOUR COMPANY FOR THIRTY YEARS

Supt. Eastwood Pays Compliment to Driver Henry Williams.

In a recent edition of the Armour magazine appears a article written about Henry Williams, driver of the car which has been in the employ of the Armour Co. for the past 30 years. The article says: "We have at Norwich a driver by the name of Henry Williams. He is 45 years old and has completed 30 years of service with the Armour Company. Henry is an Indian—a full blooded Indian and a descendant of the Narragansett tribe formerly his reservation in the hills between New London and Norwich. In addition to driving one of our teams, he looks after the stable. His stable equipment at Norwich, horses, wagons and stable combined with stack up with any similar equipment in any territory in this United States. Henry thinks as much of the appearance of the teams as he does of his family. He has never been known to be late for work in the morning. He usually finds him polishing up his harness at the stable when most of us are thinking about going to bed at night. On two occasions a member of the society of Henry Williams, Sr. and his son, Henry Williams, Jr., who has been in the employ of the company for the past three years on a full time basis, are the two best drivers from the standpoint of efficiency, faithfulness and loyalty that I know about around our various branches. Organizations says Superintendent George A. Eastwood.

NORWICH GIRLS CLUB HELD HALLOWEEN SOCIAL

Games and Refreshments Afforded Pleasant Evening for Members.

Members of the Norwich Girls' club observed Halloween Tuesday night in the form of a social in their rooms in the Thayer building. Every one came dressed as ghosts and short-skirted girls. Refreshments were served by a grand ghost march. During the evening all the popular games and fun-making tricks were tried and afforded as one "barrel of fun." The glimmering future was revealed to the girls in an artistic manner by Madame Witchie, Miss Ruth Beckenridge. Refreshments of doughnuts, cake, cheese, sandwiches and fruit were served by the committee in charge, which comprised the following: Miss Ione Breckinridge, chairman; Miss Grace Reed, secretary; Miss Anna Benjamin, Miss Edna Robinson, Miss Alicia Bellows, Miss Marion Duhamel and Miss Julia Voech.

HALLOWEEN GHOSTS!

They Were Here, There and Everywhere on the Streets Last Night.

The masked marvels were everywhere on the streets last night in observance of Halloween. Kiddies from the thickest to the largest, dressed in all kinds of rigs, paraded the streets. But instead of the ghosts, witches and other Halloween beings swooping down way was paved for a new one—Charlie Chaplin. Charlie has certainly made a hit with the kiddies and his makeup appeared to appeal more to the children than the ghastly ghosts and the cruel, hard-hearted looking witches.

Milkmen Raise Prices.

Milkmen of New London announce that their price will be nine cents per quart and five cents per pint. One of the milkmen said that this price was subject to a raise on the first of December. It was recently announced that the price would be 10 cents a quart from Nov. 1.

Ten Calls for Firemen.

During the month of October there was a total of ten calls for the firemen. Seven of these were telephone calls and the other three were bell alarms. The bell alarms were as follows: Oct. 8, 4:23 p. m. box 14; Oct. 12, 5:20 p. m., box 24; Oct. 30, 4:54 p. m., box 212.

A record has been established by Mrs. Angelina Margaglio of 31 Orchard street, New London, who, after 23 days of wedded life, as the wife of Angelo Margaglio, has filed an action for divorce. The petition charges intolerable cruelty.

On Oct. 1, Angelina Sammaturo, daughter of Mr. and Mrs. Angelo Sammaturo of 31 Orchard street, became the bride of Margaglio. Last Saturday, Oct. 28, the divorce action was filed. It is one of the most novel cases on record in the superior court.

The alleged acts of cruelty on the part of the husband were perpetrated between the two dates. The bride has returned to the home of her parents. The first meeting of the couple dates back 21 days prior to the wedding. They spent a five days' honeymoon in Boston, and returning to their new home, 276 Connecticut avenue, lived together for seven days.

On Tuesday Mr. Margaglio expressed his intention of filing a counter suit for divorce, and an action for \$1,000 to enforce the value of the wedding which he says the bride has claimed as her own property.

The brief romance and marital life of the husband and wife was described by Mr. Margaglio in his petition. Mr. Margaglio went to New London in September with the intention of opening a meat and provision store at an engaged place on Connecticut avenue. It was while he was occupied in the affairs of his proposed new enterprise that he met his prospective bride.

COMPLETING PLANS FOR THE COUNTY CORN SHOW.

County Agent Announces List of Regulations and the Score Card.

County Agent F. C. Warner is completing arrangements for the New London county corn show which is to be held in this city on the second day of December. He has already prepared a list of rules and regulations for the show.

Rules and regulations for exhibitors at the New London county corn show are given as follows:

Any resident of New London county is eligible to exhibit. Exhibits must be grown by the competitors and must in all cases be from crop of 1916, except in case of corn meal, which should be from the variety of 1915. Exhibitors may make more than one entry for the same premium or receive more than one premium for the same entry. No exhibiting corn shall be allowed on the exhibits after they are placed on exhibition except those authorized by the superintendent of the exhibition. Each exhibit must have the name of the variety attached. Exhibits if shipped prepaid to the corn show must reach the office of the New London County Improvement league, 52 State street, Norwich, Dec. 5, at the day before the show. Exhibits brought in person must be in the exhibition hall by 12 o'clock, Dec. 2d. Exhibitors who wish to practice their exhibits to the office of the New London County Improvement league at any time during the week ending Dec. 2d, must notify the secretary. Exhibitors wishing to enter exhibits not listed in the premium list must conform to the regulations given under "Others."

All exhibits will be staged at the owner's risk. No responsibility will be assumed by the officials of the exhibition for errors which may occur, although every possible care will be taken by them to prevent mistakes or damage or loss from any cause. If the exhibitor wishes to have his exhibits returned after the show is over, he must notify the secretary in writing at the time of sending or placing his exhibits, or else be on hand to remove them at the close of the exhibition. All exhibits remaining on hand after the close of the exhibition will be sold or disposed of at the discretion of the officials in charge of the corn show. The judges' decision will be final in all cases unless a written appeal is made to the executive committee of farm bureau before 6 o'clock of the day of the show. The right to make necessary changes in the rules and regulations or in the premium list is reserved. Any exhibitor interfering with or in any way hindering a judge in the performance of his duties will be absolutely barred from any prizes or prize money.

The score card has been arranged as follows:

Maturity.....	20
Uniformity.....	15
Kernels.....	15
Weight of ear.....	10
Length and proportion.....	10
Butts.....	10
Space between rows.....	5
Color.....	5
Total.....	100

An explanation of the score card follows:

Maturity and seed condition—Corn is worthless if it will not grow. Ears should be uniform in shape, color, length, shape, size, color, indentation of kernels, etc.

Kernels should be uniform and slightly wedge shaped. Shape determines to a great extent the amount of corn on the cob, lost space between rows, also chemical composition. Kernels should possess germs of good size. Edges of the kernels should be straight and fit closely together; they should be of uniform thickness. Rows should be straight and uniform.

Weight of ear—Not as important as in Dent varieties, owing to the tendency of flint corn to produce more than one ear on a stalk.

Length and proportion—Size of ears vary with locality, soil, etc. Ears with large circumference mature slowly. The circumference of the ear should be sufficient to give some rigidity to the ear.

Butts—Large yield to the acre depends on the butts. The butts should be well filled out. Kernels should be uniform in size and well arranged; there should be no extra rows at butts. Large butts are undesirable, as are also too small butts.

Tips—Should be well covered with kernels of uniform size and in rows with a close union of those on the ears. Poor tips may be caused by unfavorable season. Tips well filled out show good breeding. Space between the rows—Much space between the rows reduces the proportion of shelled corn. The space between the kernels both at tips and between the rows should be very slight. Wide spaces denote immaturity.

Color—Kernels should be uniform and of a bright luster, showing good condition. White of black kernels in yellow corn should be cut severely and vice versa. The cobs should be of

uniform color in the exhibit. Usually white corn has white cobs. Red cobs in yellow corn are preferred. Variation in color shows lack of purity of type and poor breeding.

Suitable prizes will be donated by business men of the county to be offered for the best exhibits. The premium list and list of those who donate the prizes will be announced later.

SECOND SESSION OF MEN'S BIBLE CLASS

The Real Test of Life Was the Topic for Discussion.

The second session of the Men's Bible Study club was held at the Y. M. C. A. Tuesday evening and the topic of the study was The Real Test of Life. The scripture selected was Luke, the 10th chapter and the 25th to the 37th verses. The lawyers' question, Jesus and the story of the good Samaritan.

The following thoughts were brought out in the discussion. The greatest need in the world today is the need of self sacrificing men, those who are willing to do for others; the lawyer made a mistake when he supposed that he could do something to merit the salvation which cannot be purchased, but can only be secured by the surrender of the life to Christ. That the man who loves God as he should will surely love his fellow man, but it is quite possible for a man to love his fellow man and yet not to love God. That the men whom we would most expect to help the fellow who had fallen among thieves failed to help him and therefore failed to practice what they preached; that while the good Samaritan did good service in helping the unfortunate man in a physical way, the greatest gift he made was his gift of real heart sympathy. Our neighbor is not only the man who lives or works next to us but every man who needs us and whom it is possible for us to reach in any way is our neighbor; that the Jericho road runs close by our homes and our business and in fact we walk the Jericho road every day that we live and there are many there whom we can help.

All Saints' Day.

Tuesday, the vigil of All Saints, as of all holy days of obligation, was a fast day in the Catholic church. All Saints' day, also known as All Hallows' day, the vigil was known as All Hallows' even, now shortened to Halloween. There were many interesting beliefs about this vigil in earlier times, and it became in the popular mind a night for ghosts to walk, fairies and elves to play pranks and the future to be predicted. Various games have since replaced the substantial games and elves play tricks which are sometimes annoying but more often purely good natured, thoughtless mischief. All Saints' day is followed by All Saints', is designed to commemorate all who have died in the Christian faith. In the Roman church the two days are kept separately, in the Anglican, although the second festival is still retained in the calendar as a black-letter feast, the two days are usually combined, the All Saints' day services taking on some of the characteristics also of All Souls'.

Monday Night Club Organized.

About 25 local young ladies have organized a club to be known as the Monday Night Club. They will meet every other Monday night in the Buckingham Memorial where, under the direction of Mary McKay dancing and gymnastics will be taught.

FOOD SOURING IN STOMACH CAUSES INDIGESTION, GAS

"PAPE'S DIAPEPSIN" ENDS ALL STOMACH DISTRESS IN FIVE MINUTES.

Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; or, in short, if you feel just like a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress. Large numbers of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated as they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case and a dollar for a small one. Wonderful— it digests food and sets things straight, so gently and easily that it is really astonishing. Please for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.
